

Surgent McCoy's 2010 Essential CPE Collection

NEW! 54 Total Courses and over 200 Credits – Now Including Self-Study Webcasts!

All of the convenience and value of the Essential CPE Collection is back. But this year, the package is even bigger than before, giving you more options for your CPE. Plus, for the first time, you get three self-study webcasts with your purchase! Each two-hour webcast can be completed on your own time, like the rest of the courses, but features an expert speaker who will take you through numerous examples related to the technical material. Even if you've never tried a webcast before, you will find that this is a great way to learn *and* earn your credits.

Once you have placed your order, a serial number and download instructions will be emailed to you. You can access your courses immediately! Download from home or office, at work or on vacation.

Plus, don't worry about law changes making your course material obsolete. You can access the latest updates to any course – instantly! Any time we make an update to one of the courses on the Collection, details will be posted on our website, and you have the option to download the new, most current version of the course. So you can stay current throughout the full year of your subscription!

Your subscription includes:

- A full year's access to 54 courses from 2 to 16 credit hours each -- including **17 NEW** courses
- New! Three self-study webcasts included on technical tax topics
- Automatic updates *as they happen* to all courses on the package
- Convenient online download format for all courses
- Instant grading and certificates for all CPE exams
- Printable reference copies of all final exams

Only \$219.95 for instant access to over 200 hours of CPE! Order today!

Your Collection includes all of the following (NEW courses in italics):
