SCACPA

South Carolina Association of CPAs

CPAs make a difference in their communities in many ways. From educating youth on financial literacy to hands-on service projects, you can make an impact for the better.

Q: Why should I volunteer?

Your involvement gives you the opportunity to share your talents and expertise, exercise your leadership skills, grow your knowledge base and develop professional relationships that will last you a lifetime.

Q: How often do volunteer groups meet?

Most committees and task forces meet an average of two to four times per year. Most meetings are held via conference call or Web conference, with an in-person option at the SCACPA office in Cayce.

Q: How long is my commitment?

Committee and Task Force appointment terms are two years. You may request to be reappointed at the end of your term. Task Forces are generally formed for a specific project, and then dissolved.

Q: Do I need specific experience?

Some committees may require more professional experience than others. Contact the designated staff liaison or committee chair, if you have questions.
